C. Deviation from this schedule will be permitted when, in the judgment of the Employer, proper completion of a job task requires it or by mutual agreement between the department head and the Employee.

3. To the extent possible, the County shall continue its present practice of giving Employees on continuous operations every other weekend off. It is to be understood that staffing levels are subject to determination by the County and that changes in staffing levels could compel a change in the weekend scheduling arrangements.

4. The policies and past practices of the County with respect to rest periods and personal clean-up periods, on the date of the signing of this Agreement, shall be continued except that full-time Employees shall be entitled to no less than two (2) rest periods of fifteen (15) minutes each in each working day, as assigned by the County to each Employee. **ARTICLE XII**  
**FLEX TIME**

1. **Work Schedule**

A. The County shall have the right to determine the regular work schedule of individual employees hired prior to January 9, 1998. Such a regular workday schedule shall be between the hours of 7:00 a.m. and 6:00 p.m. Employees shall be scheduled to receive at least two (2) consecutive days off duty unless the employee volunteers to accept a work schedule with non consecutive days off.

B. The County shall have the right to determine the regular work schedule of individual employees hired after January 8, 1998. Employees shall be scheduled to receive at least two consecutive days off duty unless the employee volunteers to accept a work schedule with non-consecutive days off.

2. In the event the County exercises its discretion as set forth in Paragraph 1 hereof, employees shall be assigned to work the designated schedule in accordance with the following formula applied on a department or unit basis, as the case may be:

A. The County shall first request volunteers in the required job classification, if more than one person is in the classification, from among employees in the relevant department or unit, who shall be assigned to the designated schedule.

B. Upon failing to secure sufficient volunteers to work the designated schedule,

assignment to such schedule shall be mandatory and made in reverse order of seniority, with the least senior employee in the relevant department and/or unit in the required job classification being assigned to the designated work shift.

C. Upon the hiring of a new employee in the job classification, said employee, being the least senior in the department and/or unit in the job classification affected, shall be first assigned to the work schedule mandatorily occupied by a more senior employee in the same job classification. in the relevant department and/or unit.

D. Aside from the initial effect of a new hire into the department and/or unit provided for in subsection C) above, there shall be no bumping with respect to work schedules.

E. The assignment of work schedules shall be reviewed periodically for the purpose of identifying the availability of employees in a department or unit to work a designated schedule on a voluntary basis.

F. Notwithstanding the foregoing, work schedules in effect as of July 1, 1994, may be maintained without the need for the County to utilize the procedures in sub paragraphs A-F, above.

3. The County will undertake reasonable efforts to assure supervision of those employees assigned to a work schedule during those periods of work outside the regular workday, provided that nothing herein shall be deemed to detract from or otherwise waive the County's right to establish and determine the level of or need for supervision of the work force.

5. The County shall provide notice to the Union and the affected employee at least thirty (30) calendar days prior to the implementation of a change in the work schedule. **ARTICLE XIII**  
**OVERTIME**

1      **A.      MEADOWVIEW PSYCHIATRIC HOSPITAL EMPLOYEES**

Employees assigned to Meadowview Psychiatric Hospital will be paid time and one half their regular rate of pay for all hours worked in excess of eight in a day and 80 in a 14-day period. Employees assigned to Meadowview Psychiatric Hospital who are scheduled to work less than 80 hours in a 14-day period will be paid their regular rate of pay for all hours worked in a day or 80 in a 14-day period. For purposes of this section meal periods are considered time worked. All hours worked less than eight in a day and 80 in a 14-day period will be paid at the regular rate of pay.

**B.      ALL OTHER EMPLOYEES**

Employees assigned to all other work locations will be paid time and one half their regular rate of pay for all hours worked in excess of 40 in a week and eight hours in a day. Employees assigned to all other work locations will be paid their regular rate of pay for all hours worked up to eight in a day or 40 in a week. For purposes of this section meal periods are considered time worked.

**C.      CALCULATION OF TIME AND ONE HALF OVERTIME RATES**

The employees' time and one-half overtime rate is calculated by dividing their annual salary by the annual number of non-overtime hours regularly worked. For example, an employee who is regularly scheduled to work 40 hours in a week (9:00am-5:00pm) works 2,080 hours in a year. An employee who regularly works 35 hours in a week (9:00am-4:00pm) works 1,820 hours in a year.

An employee's annual salary for purposes of calculating the overtime rate includes the following:

- base salary;
- differentials; and
- longevity pay;

The value of meals provided to the employees by the County is not included in the employees' annual salary.

Time and one-half means that an employee earns 1-1/2 hours' pay for each hour of overtime worked.

2. The following paid absences shall be considered as time worked for the purposes of computing overtime: holidays, vacations, jury duty days, funeral leave days and sick leave days. Unpaid absences shall not be considered as time worked.

3. The County will assign, on an equitable basis, required pre-scheduled overtime among qualified Employees. Employees shall be required to work overtime when necessary for the proper administration of the County.

4. Employees will be paid double time for all hours worked in excess of 16 continuous hours. This means that an employee will receive two hours' pay for each hour of overtime worked.

5. Employees who have in the past received compensatory time instead of pay shall continue to do so, provided, that no Employee may accrue greater than 240 hours of compensatory time. Once an Employee has accrued 240 hours of compensatory time, he or she shall receive overtime compensation in the form of pay.

6. Employees assigned to snow-removal duty shall be paid at the rate of one and one-half times their regular hourly rate of pay for the first eleven (11) hours of overtime, and two (2) times their regular hourly rate of pay for hours worked in excess of eleven (11) hours, i.e. from the twelfth (12th) hour forward. Employees held overtime for snow removal shall continue to earn overtime pay until they are released from duty, even if such overtime work extends into the employee's normal hours of work. In such cases, the employees will not receive additional compensation for their normal hours of work. If an employee who has continued to earn overtime pay while working during his/her normal hours of work is released from duty before the end of his/her normal hours of work overtime pay will stop. Instead, the employee will be paid his or her regular rate of pay for each hour remaining in his/her normal hours of work.

**ARTICLE XIV**  
**SHIFTS AND SHIFT DIFFERENTIAL**

1. It is agreed that Employees now receiving a shift or continuous operation differential and who continue to be entitled to such shift or continuous operation differential under established past practice shall continue to receive such shift or continuous operations differential for the duration of this Agreement. Further, Employees assigned to the Acute Unit at the Meadowview Hospital shall receive hazardous duty pay in the amount of \$250.00 per year, provided they continue to serve in such assignments.

5. The employee's entitlement to a shift differential, and the amount of the differential, shall be re-computed whenever the employee's work schedule is changed by the County.

6. **Weekend Differentials**

B. An employee whose regular schedule requires the employee to work at least one weekend every two months shall receive a weekend differential at the rate of \$200 per calendar year.

D. If an employee works a weekend differential eligible schedule for only a portion of a calendar year, the employee's weekend differential shall be pro-rated accordingly. This pro-ration shall be in addition to the pro-rating described in Paragraph C, above.

E. The employee's entitlement to a weekend differential, and the amount of the differential shall be re-computed whenever the Employee Work Schedule is changed by the County.

F. There shall be no pyramiding of weekend differentials.

However, the County agrees that, within the framework of the County's staffing needs and levels, holidays be matched, to the fullest extent possible, without imposing additional costs (overtime or new personnel) on the County, or unacceptable service or coverage levels on patients, as determined by the County.

B. In the event an Employee is required to work on any of the legal holidays named in Section 2 above, he/she shall be paid one and one-half times his/her regular pay for all hours worked on the holiday, and shall receive an additional day off with regular pay, within thirty (30) days of the holiday, or an extra day's regular pay in lieu thereof, as determined by the County.

### SICK LEAVE

#### 1. Amount of Sick Leave

A. New County Employees shall receive one working day for the initial month of employment if they begin work on the 1<sup>st</sup> through the 8th day of the calendar month and one-half working day if they begin on the 9<sup>th</sup> through the 23rd day of the month. Employees who begin work after the 23<sup>rd</sup> day of the month are not entitled to any sick leave for that month. After the initial month of employment and up to the end of the first calendar year, Employees shall be credited with one working day for each month of service.

B. After the first calendar year of service, Employees shall receive fifteen (15) working days of sick leave at the beginning of each calendar year in anticipation of continued employment.

C. Employees who regularly work 20 hours or more and less than 35 hours per week shall be entitled to a proportionate amount of paid sick leave. For example, Employees who regularly work 25 hours per week are entitled to 9.5 sick days per full year worked.

D. An Employee continues earning sick leave from the day of hire and as long as the Employee actually works or is compensated for vacation, personal leave or sick days. Employees do not earn paid sick days while on a leave of absence without pay or suspension.

E. Sick leave shall not accrue after an Employee has resigned or retired although his or her name is being retained on the payroll until exhaustion of vacation or other compensatory leave.

F. An Employee who exhausts all paid sick leave in any one year shall not be credited with additional paid sick leave until the beginning of the next calendar year. Employees who have exhausted their sick leave will be docked for any additional days absent in that calendar year.

G. Unused sick leave shall accumulate from year to year without limit.

H.. Employees who leave the County for any reason other than retirement will not be paid for unused sick days.

I. Employees who become ill after reporting to work and who return home will not be charged with a paid sick day but instead will be paid their normal day's pay if they work at least four hours. Employees who leave work because of illness before working four hours will not be paid for the day but will be granted paid sick leave for the day. Employees who leave work because of illness before working four hours and who have no sick leave will be paid only for the hours worked that day. Effective July 1, 2004 this section will be replaced with "Employees who become ill after reporting to work will be paid for time worked and charged with sick leave for any time they leave work sick. Employees will be paid for hours worked that day."

2. Authorized Uses

A. Sick leave may be used by Employees who are unable to work because of:

- 1) Personal injury or illness not related to County employment;
- 2) Exposure to contagious disease not related to County employment;
- 3) Care, for a reasonable period of time, for a seriously ill member of the Employee's immediate family ("immediate family" means an Employee's spouse, child, legal ward, grandchild, foster child, father, mother, legal guardian, grandfather, grandmother; brother, sister, father-in-law, mother-in-law and other relatives residing in the Employee's household); or

B. Sick leave may not be used for any purpose other than those outlined in Section 2A of this Article.

3. Maternity/Paternity Needs

Employees may use accrued sick leave in cases of the birth of their children. Verification of the need for the sick leave may be required.

4. Doctor's Notes

In all instances, Employees claiming entitlement to sick leave may be required to submit a doctor's note. The note must indicate that a medical problem exists and explicitly excuse the Employee from work on each day absent. Notes that merely indicate that the Employee visited a doctor are not acceptable. Doctor's notes may be required regardless of the number of days absent. This is true even if the Employee is attending to a seriously ill immediate family member. In that situation, the Employee may be required to supply a note from the immediate family member's doctor indicating the medical condition requires the Employee's absence from work each day the Employee was absent. The required Doctor's note shall not include a diagnosis, but it will indicate that a covered medical condition exists. Failure to submit required doctor's notes prior to the start of the next scheduled workday may result in denial of paid sick leave and may also result in discipline action up to and including discharge.

5. Sick Leave Abuse

Abuse of sick leave or chronic or excessive absenteeism will result in discipline action up to and including discharge. Abuse includes using sick leave when the Employee is not ill. Examples of chronic or excessive absenteeism include situations where Employees routinely use more than the amount of sick leave earned in a calendar year or where a pattern of absences is established.

6. Unearned Sick Leave

Annual sick leave is granted at the beginning of each calendar year in anticipation of continued employment. The annual sick leave entitlement of an Employee whose employment terminates for any reason during the course of a calendar year shall be pro-rated accordingly. If the Employee utilized more

sick leave prior to termination of employment than his or her prorated entitlement, the amount of excess sick leave utilized shall be deducted from the Employee's last paycheck or otherwise reimbursed to the County.

7. Sick Leave Call-in Procedure

A. An Employee on a rotating shift or *who* is assigned to work in a continuous work location who is absent due to illness or injury must notify a supervisor or his/her designee at least sixty (60) minutes prior to the start of the Employee's regularly scheduled workday.

B. An Employee on a non-rotating *shift* or in a non-continuous operation work location who is absent due to illness or injury must notify a supervisor or his/her designee no later than fifteen (15) minutes after the start of the Employee's regularly scheduled workday.

C. Employees who fail to timely notify the appropriate supervisor will be denied sick leave and are subject to disciplinary action.

D. The only exception to this call-in procedure is when an Employee establishes that he or she could not call in because of unusual or emergent circumstances.

8. Return to Duty Examination

Employees who have been on sick leave may be required to be examined by the County's Health Services physician, or to bring in a certificate from the Employee's own physician, in the County's discretion, before being permitted to return to work. The County may exercise its authority under this Section solely for the purpose of determining whether the Employee is able to perform job-related functions without posing a direct threat to the health or safety of the Employee or of other individuals in the workplace.

**ARTICLE XVIII**

**JUVENILE DETENTION OFFICERS**

Stipulation I reflects the new base salaries incorporating the employee's base salary plus all differential, bonuses, extra-duty pay, stipends or compensation, except longevity, shift differential and training stipend. The JDO's are to receive a Market Rate Adjustment of \$500 effective July 1, 2006, \$500.00 effective July 1, 2007 and \$500.00 effective July 1, 2008.

Effective upon ratification, longevity, shift differential and training stipends will be paid separately.

Further, effective upon ratification, all roll-call bonuses, extra duty pay, all other differential and additional compensation not specifically excluded shall no longer be paid.

The new base salaries shall then be increased pursuant to the stated increases for each year effective July 1, 2006.

This salary structure expires on June 30, 2011. No movement to another salary will take place after that date unless such movement is negotiated by the parties in a successor agreement.

The parties agree that Juvenile Detention Officers work a schedule based on a 14-day regularly recurring work period, consisting of two repeating patterns 8-1/4 hour work days and two scheduled days off. It is understood and agreed that this schedule constitutes a regular recurring work period of 14 days duration within the meaning of Section 7 Of the Fair Labor Standards Act.

The parties further agree that JDO's will be paid time and one-half their regular rate of pay for all hours worked in excess of 8-1/4 hours in a work day or 82-1/2 hours in a 14 day work period. This is a contractual threshold that the parties have agreed to separate and apart from any FLSA requirement.

The parties further agree that JDO's have had their 1/2 hour lunch incorporated into their base salary. The JDO's will be allowed to schedule their two 15 minute breaks together in the middle of their shifts as a lunch period. ### **STIPULATION III SNOW REMOVAL**

1. If called in for Snow Removal get time and one-half.
2. At beginning of the next regular shift if continuing to do snow removal continue to be paid at time and one-half.
3. At beginning of regular shift no Snow Removal duties. Time and one-half stops and convert to regular time. Depending upon the length of call in and continuous duty, Management at its sole option may allow the individual employee to go home at regular pay.
4. Management will always make every effort to use internal resources prior to using an outside vendor for Snow Removal. However, the safety of the public will always take precedence where deciding to use an outside vendor or not.
5. Snow begins during a normal work shift, the employees remain on regular pay unless an emergency is declared by the County Executive. If an emergency is declared because of snow, the employees will go to time and one-half at that point.
6. Double time would take place at the same time and guidelines as the current policy.
7. Management will make best efforts to provide appropriate rest period and facilities for employees.
8. Employees will receive a 10% increase in base wages when they are assigned to Snow Removal and will continue to receive this 10% differential until their assignment to Snow Removal is done.
